SAVE THE DATE FOR THE **2022 ENVIRONMENT COMMISSIONS CONFERENCE**

The annual conference for cities' environment commissions is back in 2022! We'll be meeting in-person to discuss commissions' efforts on environmental issues and have a chance to network and learn from each other's experience working on these issues at the city level. Opportunities to participate online will be available as well.

WHO

All city environment commission members and people interested in starting a similar commission in their own community.

WHERE

**Robert H. Rohlf Room at Ridgedale Public Library
12601 Ridgedale Drive, Minnetonka MN 55305**

WHEN

Saturday, April 30th, from 10 am to 1:30 pm

A registration form will be coming shortly, for now just save the date!
